Subject: Saval 2023 Challenge Raises Donation for Akshaya Patra

On behalf of the dedicated participants of the Saval 2023 Challenge, we are thrilled to present a check for [REDACTED] to Akshayapatra.org. Your organization's unwavering commitment to tackling classroom hunger and malnutrition in India deeply inspires us.

Saval is a non-profit program that encourages active lifestyles in the community. It's a year-long fitness-by-movement program that arose out of pandemic boredom and was launched in 2020-21. We welcome people of all fitness levels and backgrounds to join the program and offer programs primarily focused on movement, to align with their goals. It promotes active living and social well-being among participants through mutual accountability and support.

Inspired by your impactful mission, we have strived to double our impact each year since 2021, and this year's contribution reflects that dedication. We believe this Saval's contribution, will make a meaningful difference in the lives of countless children across India, and we are grateful for the opportunity to play a role in your vital work.

Best Regards
Shankar Muniyappa
